9 Greetings fellow caterpillar! That is a cozy little area you have setup there. Where might you be located? My colloques and I would love to visit and chat with a likeminded individual such as yourself.

3 Hello, multi-legged insect friend! I can be found on planet Earth, in an area where it is currently chilly. Unfortunately, my social schedule is all full at the moment, so you and your colleagues won't be able to visit. I can recommend another meeting locale for you and your friends. If you're in the DC area, check out Comet Ping Pong. I hear they have a cheese pizza your type would enjoy.

1 I saw a kek flag flying up on the wall. On the southwest side. Was that you? 🤔

1 Seems like the bar itself has people's attention, so here's an overall shot of it. I built it myself.
